

# OPCI

Offers new products to fill the gaps  
between patient need  
& pharmaceutical market

**Omegapress** for Nocturnal Enuresis

**Omegacough** for dry cough

**Dostilact** for hyper-prolactinaemia

## OPCI

One of the fastest growing  
pharmaceutical company in  
Egyptian market

## OPCI STORY

In 2010 we decided to construct our Egyptian National pharmaceutical company with international standards in the new orientation. Not to be me-too products but to add value to the pharmaceutical market facing the challenges and satisfying the market with highly needed pharmaceutical products.

01

We started with our first challenge to introduce desmopressin acetate the (Antidiuretic hormone analog) and we succeeded to introduce Omegapress in 2019 which fills the gap in the treatment of central diabetes insipidus, nocturnal enuresis and Nocturia.

02

Then **OMEGACOUGH** (levodropropizine) the first peripheral antitussive that does not affect the cough center so it's safe product for children.

**DOSTILACT** (Cabergoline) reduces the level of prolactin hormone that may cause infertility.

and we still have more than 35 products in our pipeline to be introduced one by one.

03

## MISSION

We are an Egyptian pharmaceutical company with international standards working for serving patients and health care providers through introducing highly needed, high quality and cost-effective pharmaceutical products to fill the gaps in the pharmaceutical market in Egypt and the middle east.

## OUR PHILOSOPHY

**We have to work hard to face challenges to:**

- Introduce the new.
- Keep company morals and ethics.
- Prepare good calibers.

04

## VISION

- To be the most important and valuable Egyptian company in Egypt and the Middle East market having a group of Important, top quality and cost-effective pharmaceutical products in different therapeutic areas serving patients and health care providers.
- To introduce products either the first in class or the best in class.
- To be ranked one of the top 100 Egyptian companies by 2025.

## OUR VALUES

### INTEGRITY:

Our commitment to business ethics, fairness, honesty and transparency is equally important to us as is to achieving business success. At the end of each day, we want to be proud not only of the goals we have achieved but also of the way we have achieved them.

### COMMITMENT TO EXCELLENCE:

We always aim high and demand the best from ourselves and our partners. Success does not make us complacent. For everything we do, we always question ourselves whether there is a better way to do it and if there is, we follow it.

## RESPECT FOR HUMAN LIFE:

We are guided by our commitment to serving human life. To provide the medical community and patients with the most advanced therapies. To provide our employees with the recognition, job security and career prospects that each one deserves. To give back to society, so as to improve the lives of those who need it the most.

07

## OUR OBJECTIVES

- Be market leader in our therapeutic areas
- Be first choice for our customer in satisfying their needs.
- Construct our own factory with high technology.
- Introducing more than 35 new important Products to middle east market
- Expand our business to Middle east and Africa region
- Have diversified products in all therapeutic areas
